INTERVIEW SUMMARY

Dear Sir:

On or about October 31, 2003, Examiner Sean Vincent contacted the undersigned to conduct a telephone interview to correct informalities in the application.

The focus of the discussion was the possibility that the Amendments to FIG. 1 and FIG. 5 represented new matter to the application, and therefore, it was agreed that these Amendments would be removed from the application reverting it generally to its original form.

FIG. 1 retains reference numbers 100 and 106, which merely designate pre-existing structures.

The Examiner agreed to make all other substantive changes by Examiner's Amendment, including cancellation of text which described the Amendments to FIG. 1 and FIG. 5.

Amendment of the claims was also discussed and agreed to.

Respectfully submitted,

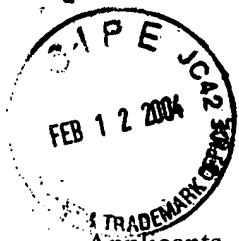

Steven M. Hoffberg
